

REACH
“**R**egistration **E**valuation and **A**uthorisation of **C**hemicals”

Ambert, 17/02/2020

Dear Sir,

We certify that **TRESSE INDUSTRIE** knows its new obligations under Regulation REACH CE 1907 / 2006 - decision number ED/01/2020 dated 16/01/2020 – N. 205 SVHC

We wanted to inform you that we have engaged the necessary steps with our suppliers to provide us:

- Substances that we use are recorded (by themselves or upstream)
- That they will inform us of the presence in our products candidate substances authorization (substance potentially present at greater than 0.1% by weight, based on total product weight).

To date, our products contain no substances defined in the REACH list candidate substances.

Remaining at your disposal, please accept the assurances of our highest consideration.

Pierre Omerin
President
